REQUEST FOR CERTIFICATE OF CORRECTION PURSUANT TO 37 C.F.R. 1.322

Dear Sir:

Transmitted herewith is a Certificate of Correction for U.S. Patent No. 6,821,818 issued November 23, 2004. Upon reviewing the listing of the inventors, the patentee noted the omission of the names of third and fourth inventors in the listing, which should be corrected as follows:

Inventors: Kai-Chi Chen, Nantou (TW)
Hsun-Tien Li, Hsinchu (TW)
Shu-Chen Huang, Keelung (TW)
Tzong-Ming Lee, Hsinchu (TW)

FEB 23 2005

Also attached are the following documents:

- A) The original declaration, a copy of which was filed with the application papers (3 pages);
- B) Return receipt postcard (1 page); and
- C) Last page of declaration, recorded in the assignment database at reel 014295, frame 0586 (1 page).

The above-identified application was filed with three pages of declaration and three pages of assignment with recordation form. Receipt of three pages of declaration and three pages of assignment with recordation form was acknowledged by the Office by stamping the return receipt postcard included with the application. However, only the first two pages of the declaration appear in the Image File Wrapper for this application on PAIR. The third and fourth inventors were identified on the third page of the declaration.

The assignment recordation form and assignment were forwarded by OIPE or its contractors to the Assignment Division for recordation. The patentee has discovered that the third page of the declaration was also forwarded to the Assignment Division and recorded at reel 014295, frame 0586.

It therefore appears that OIPE or its contractors inadvertently included the last page of the declaration with the assignment when transferring the assignment and recordation form to the Assignment Division for recordation. As a result, the names of the third and fourth inventors were not entered into the USPTO records and the above-identified patent issued with a listing of the inventors omitting the names of third and fourth inventors.

Since the errors for which a Certificate of Correction is sought were a result of the Patent and Trademark Office mistake, no fee is due (35 U.S.C. 254).
